

1. Caution about a delicate point

The `\begin{tdoccaution}...\end{tdoccaution}` environment is used to indicate a delicate point to the user. Here's how to use it.

```
\begin{tdoccaution}
  Caution, caution...
\end{tdoccaution}

\begin{tdoccaution}[Mini title]
  Useful?
\end{tdoccaution}
```

Caution. *Caution, caution...*

Caution (Mini title). *Useful?*
