

I. Ornament

Let's finish this documentation with a small formatting tool that is very useful.

Bla, bla, bla...

`\tdocsep` % Practical for demarcation.

This works with enumerations.

```
\begin{itemize}
  \item Underline.
\end{itemize}
```

`\tdocsep` % Uniform behaviour.

Ble, ble, ble...

Bla, bla, bla...

This works with enumerations.

- Underline.
-

Ble, ble, ble...
