

I. Ornament

Let's finish this documentation with a small formatting tool that is very useful.

Bla, bla, bla...

```
\tdocsep % Practical for demarcation.
```

This works with enumerations.

```
\begin{itemize}
  \item Underline.
\end{itemize}
```

```
\tdocsep % Uniform behaviour.
```

Ble, ble, ble...

Bla, bla, bla...

This works with enumerations.

- Underline.
-

Ble, ble, ble...
