

## PROBLEM.

- Version 3 of `minted` cannot be used for the moment as it contains bugs: see <https://github.com/gpoore/minted/issues/401>. We therefore force the use of version 2 of `minted`.

## BREAK.

- The `\begin{*} ... \end{*}tdocimportant` environment has been renamed `\begin{*} ... \end{*}tdocimp` for simplified input.

## NEW.

- Change log: proposed environments use icons.
- Content highlighting: colored frames with icons are proposed for the following environments.

- |  |   |   |
|--|---|---|
| 1. <code>\begin{*} ...</code><br><code>\end{*}tdoccaution</code> | 3. <code>\begin{*} ...</code><br><code>\end{*}tdocnote</code> | 5. <code>\begin{*} ...</code><br><code>\end{*}tdocwarn</code> |
| 2. <code>\begin{*} ...</code><br><code>\end{*}tdocimp</code>     | 4. <code>\begin{*} ...</code><br><code>\end{*}tdoctip</code>  |   |
