

i. Informative note

The `tdocnote` environment is used to highlight useful information. Here's how to use it.

```
\begin{tdocnote}
  Something useful to tell you...
\end{tdocnote}
```

```
\begin{tdocnote}[Mini title]
  Useful?
\end{tdocnote}
```

i Note.

Something useful to tell you...

i Note (Mini title).
