

## 1. Some remarks

Everything happens via the `\begin{tdocrem} ... \end{tdocrem}` environment, as in the following example.

```
\begin{tdocrem}
  Just one remark...
\end{tdocrem}

\begin{tdocrem}[Mini title]
  Useful?
\end{tdocrem}
```

**Remark.** *Just one remark...*

**Remark** (Mini title). *Useful?*
