

1. Something important

The `\begin{tdocimportant} ... \end{tdocimportant}` environment is used to indicate something important but harmless.

```
\begin{tdocimportant}
  Important and harmless.
\end{tdocimportant}
```

```
\begin{tdocimportant}[Mini title]
  Useful?
\end{tdocimportant}
```

Important. *Important and harmless.*

Important (Mini title). *Useful?*
